

## **Bosch Engineering Services Japan K.K. Corporate Name Change**

September 08  
BEGJ08-011

Effective 1<sup>st</sup> September 2008, Bosch Engineering Services Japan K.K., headquartered at 3-33-8, Tsuruya-cho, Kanagawa-ku, Yokohama-shi, Kanagawa, was renamed to **Bosch Engineering K.K.**

The aim was to unify the new corporate name within the Bosch Engineering group more closely.

Bosch Engineering K.K. was established on November 1<sup>st</sup>, 2006 as a fully owned subsidiary of the Bosch Corporation (Headquarters: 3-6-7 Shibuya, Shibuya-ku, Tokyo, President, Mr. Stefan Stocker). Since inception, the company has been providing high end services in the areas of software development, function development and applications/calibrations for automotive industry.

Bosch Engineering group has offices in Germany, Austria, USA and Japan with over 1000 associates and Bosch Engineering, Germany remains the guiding force.

Bosch Engineering K.K. aims to be an absolutely essential partner of Bosch Engineering group and Bosch group for all our customers.
